District standards for grooming and appearance for hair, general appearance of clothing, and jewelry and other accessories are addressed in the student handbook.

The Terrell Independent School District has a student dress code policy which applies to all students in grades K-12. The dress code promotes a positive learning environment and reflects the values of the school and community.

A complete copy of TISD dress code policy guidelines is available at each campus, in the student handbook, and on the district website at www.terrellisd.org

The purpose of this brochure is to assist parents in shopping for school clothes which meet requirements for the Terrell ISD student dress code. The color chart contained in this brochure accurately represents the approved student dress code colors.

Each campus also has a list of retail vendors who have indicated that they will stock clothing that meets TISD dress code requirements. This list is also available on the district website. School clothing does not have to be purchased from vendors on the list, but must be the equivalent in style, color, etc.

Administrators will have complete and final judgment on all matters concerning interpretation of the Student Dress Code. Matters concerning appearance and dress not specifically covered in the Student Dress Code Policy shall be within the discretion of the administration.
