TIPS TO HELP BUILD YOUR CHILD'S LITERACY SKILLS

- Let your child gradually share some of the reading aloud; take turns reading sentences, pages, etc. and remember reading should be **FUN**, so don't let your child get discouraged
- If your child can't sound out a word, suggest skipping it and come back to it and see which word would make sense
- Leave notes around the house for your child to read
- Take your new reader to the library to sign up for their own personal card
