Tiger Shirts

Parents:

If you have not ordered a tiger shirt or hoodie there are about a dozen left over in the office. Orders have been filled and no more will be taken. The tiger shirt fundraiser is over. Thank you for supporting Kennedy PTO and showing your TIGER PRIDE.

PTO

THANK YOU!!! Fundraiser Success

Kennedy Supporters,

You have done an awesome job raising money for the school. We raised approximately \$10,000. The money raised is greatly appreciated. Thank you!! PTO officers and school staff have made an item list, which includes items for the gym, playground, and office.

Items on the list include: two basketball goals and a stereo for the gym, two fun ball shoots and a recess fun kit for the playground, and a bright new rug for the office. There are several items that have been purchased and paid for

such as the tiger stripe party, prizes for the ticket rewards, and the books from literacy night.

The limousine ride to eat lunch at CiCi's pizza has been scheduled for Wednesday, December 2.

Again thank you for your support!!!

ONE Hour, ONE Day, ONCE a Month

Do you know what kind of difference it would make; if you would commit to one hour, one day, once a month to your child's school? Studies have proven that active parent involvement increases grades and self-esteem. Volunteering shows the importance of education to your student as well as to other students.

Volunteering can be a way to spend more time with

your child. It allows you to view their total personality. You are able to observe their everyday environment. It can help reinforce and show your interest in their education.

Your presence shows the teacher your support in their education. By making a commitment to help, it allows the teacher extra time to spend with the students, teaching.

Ways to help: grading papers, making copies, designing posters, or making game boards for the class. Your child will be so impressed and proud. AND you can take pride in the Help you have provided.

Let's work together to make Terrell ISD the best.
