

Already registered in Flash Alert:

If you are registered for Flash Alert with Terrell ISD, you do not need to re-enroll. If you have changed your email address or cell phone access number, follow the instructions below to make changes.

If you have not changed your contact information, you do not have to do anything. Your account is still active.

FLASH ALERT USERS:

To check and update your Flash Alert registration for Terrell ISD:

1. Log on to www.flashalert.net.
2. In the left hand navigation bar, click on Manage my existing subscriptions.
3. Type in your school (staff) or home (parents) e-mail address and your password. If you do not remember your password, use the Password Recovery Tool to have it e-mailed to you.
4. When you get to your subscription page, check all the e-mail addresses and cell phone numbers that have been entered and change any that have changed since last year or add up to FOUR additional number or addresses.
5. Click on the RED TEXT to send a test message. One should appear within five minutes on your computers and your cell phone.
6. Log out (last line on the left navigation bar.)
7. You're done and ready to receive emergency messages at home from Terrell ISD. They will appear as "info@flashalert.net."
